

# 2024-2025 Parent Handbook

NELCOME

ŌŌĽ

## Welcome to the 2024-2025 school year in Livingstone Range School Division.

Welcome to the Livingstone Range School Division. It is our pleasure to greet you as we begin, or continue, our relationship of working together. With this Parent Handbook, our goal is to provide you with information and resources to help ensure that your years as an LRSD parent are satisfying for both you and your child.

We encourage parents to see themselves as partners with our staff in the education of students and hope the information included on these pages will be helpful to you and your family. We invite you to consider the various ways that you can stay involved in your school community, and as new ideas or questions come to mind, please let us hear them.

PLEASE CLICK <u>HERE</u> TO ACCESS YOUR CHILD'S SCHOOL STAFF, PHONE NUMBER AND WEBSITE.

Every student, every day.

#### **Board of Trustees**

School Boards exist for children. In addressing matters related to their mandate, Trustees must, at all times, be the children's advocate. Educational policies must be judged first on what is best for the development of the whole child. Trusteeship means being partners with parents to ensure that children, our greatest natural resource, are provided with the best possible educational opportunities to become the future citizens the community wishes them to be.

The Alberta Legislature, through The Education Act has delegated much of its authority for the governance of education to locally elected school boards. School Boards are agents of the legislature and, as such, have certain obligations to perform and certain powers to carry out their tasks. In keeping with the theory that government is most effective when it is situated closest to the people being governed, local people elect trustees to act for the legislature in the local community.

The Trustee, as a representative of the people, is a decision-maker; one who must integrate the information from all the sources; process that information; evaluate it, and make a decision compatible with Livingstone Range School Division's vision and mission.

Trustees are elected for a four year term. The next election of School Trustees will take place October 2025.

#### **Board Meetings**

Public Board Meetings take place at GR Davis Administrative Building, 410 - 20th Street, Fort Macleod. Dates for these meetings are set in June each year at the Board's Regular Meeting.

For specific dates and times, contact Division Office or check our website at www.lrsd.ca/board/meetings

## **Board Foundation Statements**

#### Vision

Every student, every day.

#### Mission

Livingstone Range School Division inspires excellence through meaningful relationships, innovation, and collaboration.

#### **Core Values**

Student-Centered • Leadership • Integrity • Wellness • Place-Based

#### **Guiding Principles**

- 1) Decisions must be student centered.
- 2) Decisions must take into account our rural geography.
- Schools and communities should strive to work collaboratively to provide the best quality educational opportunities for students.
- 4) Decisions reached must be affordable now and sustainable in the future.
- 5) Equitable access to programming opportunities for students within their communities.
- 6) Program delivery must be flexible and responsive to student needs.
- 7) Accountability must be built into every decision.
- 8) Decisions must reflect board policies.

#### LRSD Divisional Priorities 2023-2026

Each year the Board of Trustees reviews data from a variety of sources to identify strategic priorities. At their May 2024, Board Meeting the trustees reaffirmed their support of the divisional goals as part of LRSD's <u>Three Year Plan</u>.

- 1. Leadership: Students will develop the mindsets, behaviors, and skills to be effective, lifelong leaders.
- Culture: Livingstone Range School Division is a welcoming, inclusive, supportive environment where students feel valued and actively engaged.
- Academics: Teachers play a meaningful role in helping their school reach their Wildly Important Goals that includes providing their students with the knowledge, opportunity, and support to set and achieve personally meaningful goals.

## **Decision Making**

The Livingstone Range School Division believes that decisions are best when they are student centered and made in a collaborative manner. The Board of Trustees works with many stakeholder groups, both formal and informal.

Livingstone Range School Division was formed by combining the former school jurisdictions of Crowsnest Pass, Pincher Creek, Waterton Park and Willow Creek. The name is taken from the Livingstone mountain range located within the division; a height of 7788 feet and located at latitude 50° 12' 30" and longitude 114° 27' 21".

The Division serves a population of approximately 25,000 and spans a distance of over 100 kilometers from Fort Macleod in the east, to Crowsnest Pass in the west, and a distance of over 300 kilometers from Nanton in the north, to Waterton in the South.

There were 3,735 (3600 Full-Time Equivalent) students in 14 schools, 1 virtual school, 2 Outreach schools and 13 Hutterite Colony schools during the 2023-2024 school year, with an operating budget of approximately \$56.35 million.

#### **Division Services**

**Division Office** in Fort Macleod is open from 8:30 am to 4:30 pm during the school year. We are also open from 8:30 am to 3:30 pm in July and August.

## **Student & Family Services**

Contact your local School Principal or Lisa Furukawa, Director of Learning (Support Services) at 1-800-310-6579 or 403-625-3356.

To meet the needs of all students, Livingstone Range School Division utilizes an inclusive framework where a student's strengths are the focus in helping them address their learning needs. Schools are provided resources to work together with students and parents to design supports that can respond flexibly to a student's changing needs within the classroom. Learning Support Teams (learning support teacher, counsellor, administrator and other support personnel) are in place in each school to work with students, parents and teachers to ensure this process is successful. Regular student / parent / teacher conferences are scheduled to ensure proactive discussions take place. Through this change in paradigm we want to keep open, honest dialogue with all partners to enable success for all of our students.

#### School Based Learning Support Services include:

- In-classroom support
- Literacy programming for students having difficulty with reading, writing and numeracy development
- Behavior and learning assistance
- Challenge programs to support all learners
- Speech and language support
- Assessments
- Program consultation
- Liaising / consultation with outside agency representatives
- Family School Liaising counselling support

A qualified Learning Support Teacher is available in each school to monitor and coordinate these services. If you have any questions or concerns about your child's learning, please speak with your child's teacher who can then bring the conversation forward to the Learning Support Teacher.

#### **Early Intervention Services**

Livingstone Range School Division is committed to providing individualized educational programs within an inclusive environment for young children with an identified need. Parents are key partners in developing and evaluating their child's program. Children with severe physical, emotional or behavioural challenges, may access educational programming as early as 2 years, 8 months of age and receive support for up to three years, prior to school registration. Children with mild or moderate disabilities may enter early childhood programs as early as 3 years, 8 months of age and receive support for up to 2 years, prior to school entry. To inquire about these services contact your local elementary school.

#### **Counselling Services**

Livingstone Range School Division provides professional counseling services in all community schools. A qualified Family School Liaison Counsellor is available in each school. An Academic Counsellor and Career Practitioner is available in each school. Services include:

- Personal / Social Counselling
- Preventative Programs
- Consultation
- Academic Counselling (Grades 7-12)
- Liaising and consultation with outside agency representatives
- Career Counselling (Grades 7-12)
- Post Secondary Counselling (Grades 7-12)

Please contact your School Counsellor listed on page 11 for more information.

## Services for Students & Families, Continued

#### **Diploma Preparation Program**

Prior to the end of each semester, Livingstone Range School Division will offer Diploma preparation, which will assist students with access to a complete diploma course review conducted by an experienced educator of that subject area. These highly qualified and experienced educators will provide 18 hours of review over 3 days to students in Dash 1 and Dash 2 core subject areas in assisting them in preparing to write the diploma exams. Selected diploma courses will be communicated to students well in advance. This Diploma Prep Program support is available to all students, regardless of academic standing. During both semesters, students will be provided with the diploma prep program delivery, transportation from designated locations and lunch for the weekend.

#### First Nations, Metis and Inuit Education

"In the spirit of reconciliation, the Government of Alberta commits that all Alberta students will learn about the history and legacy of residential schools, along with the history of First Nations, Métis and Inuit peoples of Canada."

Livingstone Range School Division shares a commitment with the Ministry of Education that all First Nations, Metis, and Inuit students have the opportunity to achieve or exceed the educational outcomes established for Alberta students.

Fulfilling this commitment requires targeted supports and close collaboration to support achievement, engagement and improve student retention and graduation rates of First Nations, Metis and Inuit students.

Livingstone Range School Division supports a holistic understanding of First Nations, Metis, and Inuit cultures, worldviews, histories, languages, contributions, perspectives, experiences and contemporary contexts. Effective practices that contribute to positive learning experiences, improved student well-being and increased success are an integral part of an inclusive, nurturing and welcoming LRSD environment. Strong respectful relationships are essential to fostering and honoring the students' stories, cultures, and languages while seamlessly blending Aboriginal culture and curriculum to maximize learning.

## LRSD Pursuits 😺

## **Technology Services**

## **Technology Services**

For further information contact Chad Kuzyk Associate Superintendent (Programs & Innovation) at

1-800-310-6579 or 403-625-3356.

The role of technology in Livingstone Range School Division is to support the learning process of students. Technical Support is provided to the jurisdiction by an Associate Superintendent, three technicians and a student information system coordinator.

#### Quick Facts.

- Goal Maintain minimum student access at a 4:1 student to computer ratio
- A flexible Innovation Fund is available to use at the discretion of the school during the evergreening process to meet the technology and learning needs of students
- Goal Maintain teacher/administrator/librarian access at a 1:1 teacher to computer ratio
- Wireless capabilities in all schools
- Courses offered via Video Conferencing / On-line Virtual School

#### **Assistive Technology**

There are a wide variety of media, devices and services to support students in their learning:

- All Schools and students have access to Read & Write Gold for Google (text to speech software).
- Schools have access to IPads for assistive technology.

#### **Internet Safety**

Livingstone Range School Division is committed to providing a safe and caring environment for students in our schools. A digital environment can be a wonderful experience; however, as with anything else, there are dangers to be aware of and avoid. There are a number of ways to help students safely navigate the digital world.

- LRSD has content filtering software installed jurisdictionally that blocks and tracks inappropriate internet access
- Processes are in place at each school to block sites that are sources for inappropriate conduct and contact such as cyberbullying, predation and on-line exploitation.
- A Network *Responsible Use Agreement* is in place to assist students and staff in understanding the expectations of

digital use in the school environment.

- Sessions are provided to students to foster an understanding of the appropriate use of the internet (Digital Citizenship)
- Teachers inform, support and enforce internet research practices that encourage students to evaluate and validate the source, quality, reliability and appropriateness of the information that they gather.
- Students are instructed on appropriate conduct when using digital forms of communication and are provided instruction and support on what to do if they encounter harassing, threating, inappropriate or illegal behaviour or material.

## **School Fees**

#### 2024-2025 School Fees & Service Charges

In accordance with the introduction of *Bill 1: An Act to Reduce School Fees* as well as the *School Fees and Cost Regulation,* there will be no schools fees charged to parents for Text Books, Work Books, Photocopying, Printing or Paper Supplies.

The Board of Trustees for the Livingstone Range School Division have gone one step further and eliminated the technology fee charged in years past.

The Board has also identified three areas of service provided by schools and parameters around charging fees for the service.

#### **Basic Educational Services**

No fee will be charged for services, supports and materials required for a student to successfully complete a prescribed program of instruction as defined in the Guide to Education. Examples may include in-class instruction and supports, handouts, textbooks, mandatory workbooks, paid electronic educational content and photocopying.

#### **Enhanced Educational Services**

Principals may assign fees for services, supports and materials that are not required for a student to successfully complete a prescribed program of instruction as defined in the Guide to Education. Examples may include curricular field trips, programs of choice, cultural activities, and options programming.

#### **Non-curricular Services**

Principals may assign fees for optional activities or materials that are outside of the educational mandate of the Division. Examples may include sports teams, clubs, agendas/student planners, yearbooks, and extended non-curricular trips.

All fees must be used for the purpose that was specified prior to being charged and collected on a cost recovery basis.

#### **School Fee Summary Document**

A School Fee Summary Document will be completed annually, reviewed with the School Council and posted on the school's public website.

#### **Fee Payments**

Fees are payable at the beginning of the school year. For payment options, please consult with your local school.

To pay student fees electronically go to https://Irsd.schoolcashonline.com

#### **Fee Waiver**

To find information for the LRSD waiver of fee process and qualifications, please go to LRSD.ca

For further information on school fees please go to the LRSD.ca website to view Administrative Procedure 505 Students Fees and Service Charges. (www.lrsd.ca/our-division/administrative-procedures/500 business administration)

## **Appeals - Dispute Resolution Process**

## **Appeals**

Livingstone Range School Division school staff strive to work together with all students and parents to design appropriate programming based on shared information. Any concerns can be addressed at the school level with the classroom teacher and School Principal, and then if necessary, with the jurisdiction to determine the required next steps (Board Policy 14, Livingstone Range School Division). If need be, further problem solving can then involve the Superintendent of Schools, the School Board, or the Minister of Education.

#### **Dispute Resolution Process for Parents**

The following visual provides a graphic overview of the process for addressing concerns resolving conflicts.

## **Steps in the Conflict Resolution Process**

#### **First Steps**

Schools are required to make every reasonable effort at the school and district level to resolve concerns collaboratively with parents. Despite these efforts, if there remains a disagreement between parents and the school with a decision related to the child's educational programming, the first step is for the parent to talk to the teacher to try to resolve the concern together. If that fails, the next step is for the parent to talk to the School Principal and/or Assistant Principal. Together with the teacher and school administrator, most issues that affect a student's educational program should be resolved.

#### **Next Steps**

Should the teacher and school administrator not be able to resolve the concern with the parent, they may refer the parent to a staff member at the Division Office. If, after this step, the parent still does not agree with the Division Office staff member's decision, the parent should write the office of Superintendent to express their concern. If the concern is not resolved by the Superintendent, the parent may apply in writing to the Board Chair to initiate a board-level appeal in accordance with <u>Board Policy 14</u>, if applicable under <u>Board Policy 14</u>.

#### **The Final Step**

If the parent does not agree with the Board's decision after the board-level appeal, the parent may request in writing that the Minister of Education conduct a Review by the Minister for specific decisions. In accordance with the Education Act of the Province of Alberta, the Minister may review a Board decision on a matter that the Board and parents have not been able to solve with respect to placement in an educational program, expulsion decision, home education matters, amount and payment of fees, accuracy or completeness of a student record.

## Student Transportation / Inclement Weather Days

## **Student Transportation**

For more information, please contact Rick Visser Transportation Coordinator at Division Office, 403-625-3356, cell 403-625-1027 or toll free at 1-800-310-6579.

#### **Inclement Weather Days**

There have been several interesting weather situations over the past few school years. The following outlines the decision to close schools or to stop buses from travelling.

Administrative Procedure 567: Bussing During Inclement Weather indicates that the driver of each bus is responsible for making the final decision on whether or not to operate on any day in which student safety may be in jeopardy. The driver may check with one or two parents along the route prior to making this decision. When the decision is made not to operate an individual bus route, the driver notifies the Transportation Coordinator, as well as parents along the route. The Coordinator will notify principals of the schools affected.

When school closures have been announced, bus drivers will be notified and they will, in turn, notify parents on their route. Once students are at school, drivers are encouraged to leave them until the end of the school day. After consulting with parents, school principal, and the busing supervisor, a bus driver may decide to take students home from school early. However in case students have to stay at school due to inclement weather, each principal is required to have a contingency plan in place to accommodate students overnight.

Listen to radio stations (High River) CFXO 99.7 and CHRB-AM 1140; (Crowsnest Pass) CJPR 94.9; (Lethbridge) Country 95.5 FM, LA 107.7 FM, CJBZ 93.3, CJOC 94.1 (Lethbridge) for school closure announcements.

Specific information on school closures and busses not operating due to inclement weather will be posted on the Livingstone Range School Division website. This announcement will be indicated by a "Red Bus" icon on the website home page and on individual school websites. Clicking on the bus icon will bring up a list of bus routes and affected buses will be highlighted in red.

## Safe & Caring

#### **Student Safety**

Livingstone Range School Division schools are safe, nurturing, positive and respectful learning environments that enable all students to succeed to their full potential. Our schools are places that promote peaceful

problem solving, academic excellence and a sense of belonging for all students. Students are expected to demonstrate respect for their fellow students and staff, and promote the values they need to become responsible members of society. As part of the many safety precautions schools take, they monitor school attendance. They want to ensure your child arrives at school safely. In order to assist the school with this monitoring, your assistance is appreciated. *Please notify the school if your child will be absent or late.* Additionally, please ensure the school has an updated emergency number in the event your child is injured or becomes ill at school.

## **Personal Mobile Devices and Social Media in Schools**

#### Background

The Livingstone Range School Division (LRSD) Board of Trustees recognizes there is an appropriate educational purpose for the use of technology in the classroom provided it is used to achieve the learner outcomes in the Alberta programs of study and allows students to participate in learner activities chosen by the teacher. The Board recognizes that limiting personal mobile devices in schools helps to maximize learning and supports educational outcomes for children, supports student mental health, reduces opportunities for cyberbullying and helps mitigate negative impacts of excessive exposure to social media among children and youth. Digital citizenship is key to helping LRSD students learn to use available technology responsibly to enable them to reach their full potential as learners.

Please refer to the <u>Board Policy 24</u> - <u>Personal Mobile Devices and Social Media in Schools</u> and the <u>Ad-</u> <u>ministrative Procedure 145</u> - <u>Use of Personal Mobile Devices and Social Media in Schools</u> for more information.

## **Supporting Your Child**

#### **Starting Ages**

Students must be six years of age on or before December 31, 2024, to start in Grade 1 in the fall. Kindergarten students need to be five years of age by this same date to begin.

#### **Parental Involvement**

Parent involvement in school activities is an essential part of an effective school. Parent involvement in schools may take various forms:

- Maintaining effective two-way communication with your teacher and school
- Assisting children with their learning activities at home
- Involving the community in school activities
- Volunteering in school activities
- Participating in school councils

#### Parents can share the experience!

You can help your child enjoy school by:

- Getting to know your child's friends
- Talking with your child about school activities and routines
- Encouraging, supporting, and modeling positive attitudes about education
- Talking with your child about school, interests, friends
- · Knowing school rules, program expectations, discipline policies, and grading practices
- Participating in parent-student-teacher conferences
- Reading information provided by the school such as newsletters, teachers' notes and website postings
- Attending special events

#### **School Council**

School Councils were established in 1995 to increase parent and community involvement. They are mandatory for all public schools including charter schools. School Councils play an important role by providing advice and assistance to School Principals and Trustees regarding educational issues. Involvement on School Councils include:

- Focusing on education matters
- · Providing input on various matters such as school budgets, program planning
- Serving as a liaison between parents, the school and community groups
- Gathering information and sharing experiences
- Supporting the goals and objectives of the school

School Councils must have the following members:

- 1) Parents of student enrolled in the school (parents must form majority of the members)
- 2) School Principal
- 3) Teachers
- 4) Community Representative who is not the parent of a child in the school (optional)
- 5) Students (high school level)

Schools may add more representatives depending on their needs. Each School Council establishes by-laws to guide their work. Through School Councils, Albertans assume an advisory role in education matters from academic programming to budgeting. Get involved! By getting involved, you will make a positive difference in your child's school years.

## **Regional School Council**

Regional School Council membership includes one representative from each School Council, the Board of Trustees, representatives from senior management, school administrators, student representatives from the Regional Student Council and invited guests. The Council meets three times a year.

Regional School Council's mandate is to:

- Facilitate sharing between School Councils.
- Share knowledge and expertise.
- Provide an avenue of communication between School Councils and the Board of Trustees.
- Work together to address and discuss issues of common interest.
- Celebrate successes.

### Livingstone Leaders

Livingstone Leaders membership includes members of each Grade 7-12 schools and their advisors, the Board of Trustees and the Superintendent, or designate.

Livingstone Leaders purpose is to:

- Provide a forum for student input and voice
- Utilize student voice in making educational decisions.
- Foster understanding of leadership in a democratic context and build leadership capacity with students.
- Share ideas and learn from each other.
- Bring forward issues and concerns.

#### Volunteering

Because we consider volunteers an important part of our school system, and the safety of children in our first concern, we ask that volunteers have a **criminal record check** done prior to arriving for volunteer work. All of our local RCMP detachments have agreed to complete these checks at no cost to the volunteer, so please contact your school and local RCMP detachment for the proper forms you will need to complete. When your child moves to a new school, we ask that volunteers obtain a new record check. We appreciate your cooperation in keeping all of our children safe.

#### **Alberta Education Curriculum**

The Alberta Education Curriculum information is available online on the Alberta Education Website at: <u>http://alberta.ca/educatioin.aspx</u>. This website also provides a concise grade-at-a-glance summary and quick overviews of what students are expected to learn in each grade.

When the 2024-25 school year begins, all elementary students will be learning new <u>English language arts</u> and <u>literature</u>, <u>mathematics</u> and <u>physical education and wellness</u> curricula.

#### **Grade 12 Resources**

Grade 12 students looking for scholarships can visit the following websites: <u>https://alis.alberta.ca/explore-education-and-training/plan-for-graduate-school/funding-graduate-school/</u> or <u>www.scholarshipscanada.com</u> or contact their School Academic Counsellor or Career Practitioner

## **Professional Development**

Teachers have the greatest impact on student learning.

By valuing the performance and building the capabilities of our teachers - particularly their expertise, intellectual development, professional judgment and networks - we improve educational outcomes for students.

Ongoing professional development for teachers is essential to:

- Ensure teachers are effective educators and leaders.
- Maintain quality schooling and training.
- Promote professionalism.
- Encourage a sense of scholarship within the teaching community.

Research confirms that teachers need both internal and external professional development to enhance their capabilities. Both play important, independent roles in improving schools for students.

Livingstone Range School Division has a responsibility to allocate its resources effectively - in programs, buildings, and also in the development of great teachers so that all students can have high-quality instruction.

Just like practitioners in other professions, teachers need to deepen their knowledge and improve their skills over the course of their careers. In Livingstone Range School Division, like all school divisions, professional development takes many forms. It may be a division-wide school PD day, where all school staff get together to work on a school-based project. It may be Divisional Day, held annually when all staff are together at one site. It may be individual or team-based attendance at conferences where speakers provide information about the latest trends in teaching. Or, it may be coaching or mentoring with colleagues or other professionals.

Staff professional development helps all students reach higher levels of learning. It is the key to any school improvement or enhancement in teaching style. Because professional development usually involves a break in the normal school schedule parents should refer to their child's school webpage for information regarding their school calendar with site-based professional development days.
