

New Parent Portals Make Staying Current Easy

Staying current with your student's school, attendance, and marks is easy with our new student information systems and parent portals.

Elementary School (K-Gr 6)

Your school will send you a link to easily create an account and log in to Edsby via web or app. Using Edsby you can:

- View child's grades, assignments, and report card
- Report planned absences for your child
- View the school and classroom calendar
- Communicate with your child's teacher
- Communicate with groups your child is involved in at school

Learn more about [using the Edsby app](#).

*** Look for an invitation email with link this week! ***

High School (Gr 7-12)

Coming soon!

This fall, parents of Grade 7-12 students will have access to Edsembli's portal. Stay tuned for login information.

- Schools create an account for parents with the email parents provided at registration or last demographic update.
- Each school has a unique link to connectEd Parent Portal login, posted on the school's website.
- Log in to Edsembli to view your student's schedule, check grades, view report cards and digitally sign forms.

For all Grade Levels

Never miss a message from the school again. School Messenger is able to send voice messages, email, and sms text messages from the school so you're always in touch.

- To receive SMS Text messages parents opt in or grant permission for the system to contact you. The messages to invite you to opt-in will be going out on **Wednesday, September 15, 2021**.
- Text messages will come to you from a "short code number" and not the school's phone number. Please accept messages from the number 978338.
- You can manage your email subscriptions with an unsubscribe option.
- Download and use the free [School Messenger app](#) for convenience.
- Check out the [How-To Video](#) on using the School Messenger app

Need Help?

For more information and help getting started, visit our [Parent Portal Help page](#) on the Division website. Please delete your PowerSchool app, as these new platforms have replaced PowerSchool in our Division.

If you have any questions or need help, please contact your school.
